distinction is generally made between a initial supply of a bicycle to an office, and a purchase of a bicycle to replace one ~~already~~ worn out by use in an office to which supply of a bicycle has been sanctioned by competent authority. In the former case higher sanction is usually obtained ~~for~~ as the use of a bicycle to ~~some~~ a large extent speeds up the delivery work of the peons, and the strength of the menial staff may require to be considered with reference to this added facility for their rapid movement. ~~(1)~~ ~~that a bicycle is not quite like other kinds of office furniture, as there is the possibility of misuse by peons~~ The present case is apparently one of the first supply of a bicycle and I think therefore that the Residency Surgeon has rightly come up for the approval of the Hon the Resident thereto. Once the latter has sanctioned the first supply, purchase and subsequent renewals may be arranged for by the Surgeon himself without reference to the Residency

SIR,

I have the honour to request that the Hon'ble the Resident may be moved to accord sanction for the purchase of a bicycle for the use of the delivery-peon of this Court, at a cost not exceeding Rupees one hundred and fifty only. Daily several letters have to be delivered to addresses both within City and Cantonment limits and it is rather a hard lot for the delivery peon to walk a long distance, particularly in rainy weather. I may add that several other offices in the Station have supplied their delivery peons with bicycles.

Sanction may also be kindly accorded for the local purchase of Rubber Stamps for the use of the Registrar's Court to be constituted at an early date under Mr. Boag's scheme, at a cost not exceeding 25 Rupees. As the Rubber stamps cannot be got in time before that Court is constituted by indent on the Deputy Controller of Stationery, Calcutta they have to be purchased locally.

Both the above items of expenditure may be met from the provision under " 24 A- Administration of Justice - Civil and Sessions Courts - Contingencies " in the current year's budget.

Letter R. C. No. 73/27, dated 24-2-1927 from the Sub-Assistant Inspector of Schools, Civil and Military Station, Bangalore, to the Inspector of Schools, Coorg and Bangalore.

Most of my office despatch work consists of letters addressed to the Correspondents and the Head Teachers of the local educational institutions and hence they have to be taken by my office peon for delivery. There is only one peon for my office and he often has to go round to all the institutions of this station on some days thereby havi to cover many miles by walk. It is especially trying to do so in hot weather. The delivery work is very heavy and it is often in arrears. The fact is that a single peon finds it difficult to walk from one end of the town to another in the same day and attend office to do the meni work. I therefore request that a bicycle may be supplied to the peon order that he may discharge his duties satisfactorily in time.

The cost may not exceed Rs.150/- for a complete outfit, consis ing of a bicycle with a bell, a lamp, a pump and a tool bag. Since th peon is a short fellow, a machine with a 22 inches' frame is sufficient

This amount can be met from the allotment under this office contingencies in the current year's budget.

Letter R.C.No.64/28 dated the 19th June 1928 from the Head Master, Government Training School, Civil & Military Station, Bangalore, to the Inspector of Schools, Coorg & Bangalore, Bangalore.

------:0:------

I have the honour to represent to your kind considération that, owing to the absence of the peon for long periods whenever he is sent out during the day, the school is put to great inconvenience. The school has only one peon and his services are required throughout the day in the school itself. Yet he has to be sent out with letters and bills to different offices. In order that the inconveniance caused by his continued absence may be minimised, I beg to propose that the school may be supplied with a cycle as in other offices. If the Inspector sanctions the purchase, the cost which may come to Rs.125/- may be met from the allotment under 31 - D - Education - Special - Government Special Schools - Government Training Schools - Contingencies - Office Expemces and miscellaneous.

Sir,

S. & 47 (5)

I have the honour to state that the office Bicycle purchased in August, 1925, as sanctioned in your No. 6895/257-191 dated 19-8-25, has become old and unsuitable for use when the Peons have to use it for long distances and rapid delivery. therefore propose to purchase a new Bicycle for Rs.100/- (Rale Popular, for Rs.97-8-0 and a luggage carrier for Rs.2- 8- 0) out of my office Contingencies, under which there is a suffici balance. I therefore request you kindly to obtain the Hon'bl the Resident's sanction to the purchase at a cost not exceedir Rs.100/-

2. The old Bicycle will not fetch more than Rs.20/- in auction. It will be useful for the use of a second peon whenever there is stress of work. I therefore propose to retain in the office if there is no objection to such a course.

I have the honour to be,
Sir,
Your most obedient servar

F. Edmonds.
